

Mission Statement

U.S. Pretrial Services for the Northern District of Illinois is a diverse team of professionals dedicated to the support of the local, state and federal courts and the provision of services to the community by fulfilling our statutory responsibilities.

Our objectives are to:

Deliver essential information to the court through comprehensive investigations in order to provide alternatives to detention when appropriate.

Reduce the risk(s) of non-appearance and danger to the public through supervision and use of community resources in an effort to alleviate unnecessary detention and its high cost.

Provide technical resources to court staff in order to facilitate the maintaining of data, statistics, financial accountability and agency operations.

We are committed to:

Innovation, efficiency and pursuing excellence in an ever changing environment.

The highest ethical standards and treating all people with dignity and respect.

Supporting continued growth and development for all employees.

The fair administration of the federal bail statute and recognizing the presumption of innocence.
